PRESIDENT'S LETTER

2020-2021 CONCERT SEASON

To our Dedicated Fans and Supporters,

It has been nearly nine months since the Baytown Symphony Orchestra presented a concert. Little did we know that our “Leap into Beethoven” would be our last concert for such a long period of time. However, the BSO has used that time to carefully observe and learn how to adapt to these difficult circumstances. COVID-19 health restrictions do not permit us to hold live, in-person concerts at the Lee College PAC. Fortunately, the musicians and staff have been able to record musical performances, in small groups, and under maximum safety practices. Our first concert this season will be the “BSO at Home”. It will be broadcast on our completely new and updated website.

Classical fans will enjoy an assortment of great music including Copland’s “Fanfare for the Common Man,” Dukas’s “Fanfare from La Peri,” Mozart’s “Eine Kleine Nachtmusik,” and Corelli’s “Pastorale” from the Christmas Concerto. Additional chamber pieces will be announced on the website BaytownSymphony.com. Be sure to download our new electronic Concert Program guide to read more about the concert.

With the end of Thanksgiving, we’re now getting ready for Christmas and New Year’s. Our musicians and staff want to celebrate with some wonderful, seasonal tunes. Visit the website to get more details on our Holiday Special.

On behalf of the board of directors I want to acknowledge the strong support we have received this past year from our donors and patrons, along with the area business community and advertisers. This continued support will enable the BSO to continue providing fine music to our community as we prepare for a future that brings us back to the performance hall.

Lastly, our wonderful Music Director, Pierre-Alain Chevalier, recently announced his resignation. Pierre and his wife, Jessica, are returning to their hometown in Portland, Oregon. We very much appreciate Pierre’s contribution to the BSO and Lee College and wish him great success in his future endeavors.

Sincerely,

Jeff Hawkins, President

The Baytown Symphony Orchestra
Board of Directors

CONDUCTOR LETTER

FAREWELL

To the patrons of the Baytown Symphony Orchestra,

The last four years with the Baytown Symphony have been the most rewarding of my professional career. The work that the BSO has done is, truly, something to be proud of, and I'm glad to have played a part in it.

It has been a pleasure to work with and get to know the many wonderful musicians that make the BSO the outstanding musical ensemble that it is. Many thanks to the leadership—Amy Wiggs, James Marioneaux, Alan Johnson—the board of directors, and the wonderful faculty and administrators at Lee College, especially Dr. Ken Booker, Director of Instrumental Studies. It truly takes a village to keep an organization like the BSO humming along and for everyone's part they played I say a great big "Thank You!" and for your friendship I am ever in your debt.

It is bittersweet to be leaving Houston, but my wife and I look forward to the next chapter in our lives. After 12 years away from our families in Oregon—10 of which were in Houston—we are ready to return. I know the future for the BSO is a bright one. I will hold a special place in my heart for Baytown, this orchestra, and its wonderful musicians.

To a bright, safe, happy 2021!

MUSICIAN PROFILE

JAMES MARIONEAU

James Marioneaux has been the principal clarinetist in the Baytown Symphony Orchestra since 1994. He is also the assistant conductor, orchestra manager, and player representative to the BSO board. Mr. Marioneaux began playing clarinet in the public school Beaumont, Texas, taking lessons from Dr. Jimmy Simmons. He attended Sam Houston State University where he had the opportunity to study with the principal clarinetist of the Houston Symphony, Richard Pickar along with outstanding band director and clarinetist, Dr. Ralph Mills. He transferred to Lamar University where he received his Bachelor's degree in Music Education and also earned the Artist's Performers Certificate in Clarinet and is the only person to earn that certificate in one year instead of two. He earned a Masters of Music Education from Texas A & I University in Kingsville.

Mr. Marioneaux maintained a dual career as a clarinetist as well as an outstanding music educator. During his thirty years as a band director, his bands were consistent UIL Sweepstakes winners. Under his direction, bands at El Campo High School and Sweeny High School advanced to the UIL State Marching Contest and Barbers Hill High School advanced to that contest three consecutive times. His bands at Sweeny and Barbers Hill High School placed third and fifth in TMEA State Honor Band competition. Sweeny High School won the UIL State Wind Ensemble Contest and was named outstanding band at the American Classic Music Festival in Nashville, Tennessee. The Palacios High School had earned the first UIL Sweepstakes award in the history of the school and Barbers Hill High School earned nine first divisions in marching and eight consecutive sweepstakes awards.

Since his retirement, Mr. Marioneaux has been very active as clarinetist and is in constant demand for woodwind masterclasses and maintains a large private studio, teaching at Northshore High School, Lone Star College, and in his home. He is also

very active as a band clinician, adjudicator, and mentor to younger directors. He has performed with the Beaumont Symphony Orchestra, Victoria Symphony Orchestra, Lake Charles Symphony Orchestras, Heights Concert Band in Harker Heights, Texas, Baytown Concert Band, and the Solar Winds of Houston. He has been a featured soloist with the Baytown Concert band, Heights Concert Band, Galveston Symphony Orchestra, and twice with the Baytown Symphony Orchestras. He performed the world premiere of Leroy Osmond's Clarinet Concerto, which was commissioned for him by his wife. He is principal clarinetist with the Baytown Symphony Orchestra and the Galveston Symphony Orchestra and is conductor of the Houston Flute Choir. He was inducted into the Texas Bandmasters Hall of Fame in 2018.

Mr. Marioneaux resides in Baytown with his wife and the love of his life, Christina, who is an outstanding band director and orchestra director. She is currently the orchestra director at Gentry Junior School in Baytown and plays French horn in the Baytown Symphony Orchestra.

November 2020

Dear Patron:

The Baytown Symphony Orchestra appreciates your support. The past year has been a difficult one for everyone. With everything that has happened, the Musical Director, Board of Directors, and musicians have worked tirelessly to bring the community great classical music on a redesigned BSO website that offers streaming along with several enhanced services, such as an easier way to show your support through donations.

Our 53rd season will be the first time we offer a completely digital experience for our patrons. In addition to our new donation system, digital advertisement form, streaming of classical pieces through our website, we are also offering our concert program online and available for downloading in PDF. We hope you enjoy everything that has taken place behind the scenes to make this happen.

As a patron of the BSO, there are many opportunities to support the orchestra. Annual giving is acknowledged on a page in our concert program. Donating is as simple as choosing one of these methods and selecting your sponsorship level:

1. Go to our website – <https://baytownsymphony.com/donate.html>

We now accept all major credit cards, PayPal, Apple Pay, Google Pay, and ACH (bank draft).

2. Request a donation form and mail back to us

Also, many companies offer matching funds for your donation. We have made it simpler this year where the hard work is done for you. The donation checkout allows you to choose your company and will automatically check if they participate in the match program. There are opportunities to underwrite specific concerts; please contact a board member to discuss these options.

The BSO also encourages individuals to volunteer by becoming an active member of the orchestra board. We hope to see you soon and enjoy together some of Baytown's most beautiful moments with the Baytown Symphony Orchestra!

Sincerely,

Jeff Hawkins

BSO HISTORY

More than five decades ago in 1968, Dr. David Corder, the esteemed founder and longtime conductor of the Baytown Symphony Orchestra (BSO), had a vision. His goal was to introduce classical music to the greater Baytown area, and he succeeded wonderfully. Dennis Eichler, who followed him, continued the tradition of leading an excellent orchestra and providing the local community with classical and modern music. Now, Pierre-Alain Chevalier, Music Director, leads the BSO on musical extravaganzas.

It is worth noting that education played a major role in Dr. Corder's planning. Encouraging young students to study music was a key part of the program. Evidence today confirms that young people, who participate in orchestras, bands, and

the fine arts, perform better as students. Moreover, orchestra programs in the schools are receiving greater support after years of decline.

The BSO is made up of musically talented local citizens. Additional professional musicians are utilized to provide a balanced ensemble for each concert. The Baytown Symphony Orchestra's operating income is derived from concert program advertising, patron donations, corporate direct and matching gifts, ticket sales, grants, and the annual fundraising gala.
