PRESIDENT'S LETTER

2022-2023 CONCERT SEASON

The Baytown Symphony Orchestra is proud to celebrate its 55th season titled “*Altissimo!*”

Altissimo is Italian for *very high*. To musicians, it is known as the uppermost register on woodwind instruments. For the BSO, this title is fitting for our aspirations on marking our fifty-five years in providing classical music to the Baytown area. Without your support, the BSO would never have made it to this remarkable milestone.

The holiday season is a special time of the year and the BSO is pleased to present “Christmas in Baytown.” Tonight, we continue the BSO’s 55th season, bringing wonderful and seasonal music to our community conducted by our Music Director, Clarence Frank, Jr. This concert is made possible by the great collaboration of the musicians, the staff, and you, our public supporters. This partnership has kept the BSO operating despite the adversities it has faced.

As we enter our 55th season, we want you to know that our mission is still one of entertainment for the community and educational support for future musicians. Since our founding in 1967, the BSO has performed over 50 years of memorable concerts while providing an outlet for talented community members and encouraging student musicians to aspire to become professionals in the arts and culture field.

The BSO continues to work in conjunction with Lee College to help all students realize their musical aspirations. In addition, the BSO works with the local schools to find those students who want to pursue and find a career in music. To further that initiative, the BSO has formed a new partnership with the GCCISD Fine Arts Department. We conduct annual auditions with the community and students to find talent to perform with our professional musicians in the orchestra. Proving that this belief works, we have successfully educated students in furthering their musical career with them receiving scholarships to colleges of their choice.

This is what the Baytown Symphony Orchestra is about and why we need your help in continuing our mission.

Financial struggles have befallen upon the BSO. We are one of the few community orchestras that continued to perform during COVID through virtual online concerts and have managed to remain in operation. We have had a significant drop in our regular paid advertisers, donations, and sponsorships since COVID began. We ask you – the donors and patrons, along with our viewers and advertisers, that have helped preserve the BSO in the past, to help the BSO continue to serve our community.

Donations can easily be made directly from our web page www.baytownsymphony.com or can be mailed in.

We look forward to seeing you during our 55th season. Now, sit back and enjoy the sleigh ride through this wonderful musical journey. ***Merry Christmas!***

Sincerely,

David Levy

BECOME A BSO SPONSOR

2022-2023 CONCERT SEASON

Future Sponsorship Patrons of the BSO:

It has been a difficult past few years to say the least, but we hope that you have weathered the conditions well as we return back to normal. In case you weren't aware, the BSO's Music Director, Clarence Frank, Jr., during this time, has brought exciting and new concerts to the Baytown area.

As we enter our 55th season, we want you to know that our mission has been and will remain that as a non-profit civic orchestra, we provide symphonic music for the public, offer an outlet for community instrumentalists, and encourage local talent through education and training. Since our founding in 1967, the BSO has performed over 50 years of memorable concerts while providing an outlet for talented community members and encouraging student musicians to aspire to become professionals in the arts and culture field.

The BSO continues to work in conjunction with Lee College to help all students realize their musical aspirations. In addition, the BSO works with the local schools to find those students who want to pursue and find a career in music. To further that initiative, the BSO has formed a new partnership with the GCCISD Fine Arts Department. We conduct annual auditions with the community and students to find talent to perform with our professional musicians in the orchestra. Proving that this belief works, we have successfully educated students in furthering their musical career with them receiving scholarships to colleges of their choice.

Our Music Director, and a Baytown native, Clarence Frank, Jr., has been a member of the BSO since he was a student. Shortly after receiving his Master of Music Degree in Conducting from Sam Houston State University, the BSO hired him as Music Director. In our most recent "Side by Side" concert which included students from three high schools in Baytown, we had a record number of students on stage performing. Our Music Director specifically chose the repertoire to include pieces by composers mirroring the demographics of our community. The families of these students were proud and thankful to the BSO for the opportunity to have their young musicians perform with the orchestra and inspire the students to continue in their studies.

This is what the Baytown Symphony Orchestra is about and why we need your help in continuing our mission. As a concert program sponsor, your contribution will always be appreciated.

New this year are significant changes to our sponsorship and underwriter packages. We are hopeful that these updates illustrated on the next page will make a better partnership with your business and the BSO. We are always happy to discuss a custom sponsorship package with your business if what we outlined doesn't meet with your expectations. The information is also available online at:

<https://www.baytownsymphony.com/donate.html#Sponsor>

If you have any questions, please feel free to contact us at info@baytownsymphony.com or leave a message at 832-802-8882.

Thank you for your interest in supporting the BSO.

Sincerely,

David Levy

BSO HISTORY

More than five decades ago in 1967, Dr. David Corder, the esteemed founder and longtime conductor of the Baytown Symphony Orchestra (BSO), had a vision. His goal was to introduce classical music to the greater Baytown area, and he succeeded wonderfully. Dennis Eichler and then Pierre-Alain Chevalier, who both followed, continued the tradition of leading an excellent orchestra and providing the local community with classical and modern music. Now, Clarence Frank, Music Director, leads the BSO on musical extravaganzas.

It is worth noting that education played a major role in Dr. Corder's planning. Encouraging young students to study music was a key part of the program. Evidence today confirms that young people, who participate in orchestras, bands, and

the fine arts, perform better as students. Moreover, orchestra programs in the schools are receiving greater support after years of decline.

The BSO is made up of musically talented local citizens. Additional professional musicians are utilized to provide a balanced ensemble for each concert. The Baytown Symphony Orchestra's operating income is derived from concert program advertising, patron donations, corporate direct and matching gifts, ticket sales, grants, and the annual fundraising gala.

MUSIC DIRECTOR

CLARENCE FRANK

Baytown Native, Clarence Frank, Jr., has been named the 4th Music Director and Conductor of the Baytown Symphony Orchestra. He has always had an interest and ear for music as he first started singing in the church choir at 8 years old at Mt. Olive Baptist Church in Baytown. His love for music began while singing praises to God. Upon entering the 6th grade, he chose to play cello in the school orchestra at Cedar Bayou Junior School. This opportunity opened many doors to a whole new world of music as he discovered his love for classical music. He quickly developed on the cello earning spots in the all-region and all city orchestras in the 7th and 8th grade. He then started performing with the Baytown Symphony Orchestra in the 8th grade under the baton of Dr. David Corder. This was a total boost to his cello career as he entered Ross Sterling High School and immediately started leading the cello section as a freshman under the direction of Dennis Eichler and the late Karan Pitts. While in high school orchestra he won spots in the All-region orchestra for all 4 years and the coveted Texas All State Orchestra his senior year. During high school was when he decided to teach professionally.

Maestro Frank was accepted into the School of Creative and Performing Arts at Northwestern State University in Natchitoches, LA. He received his Bachelor of Music Education Degree in 2000. While there he studied cello with Richard Rose and conducting with the late Dr. George Adams and Dr. Burt Allen. He was a member of the symphony orchestra, the chamber choir, and the Wind Ensemble playing string bass under Dr. Jeff Mathews.

After graduating from NSU, he began his teaching career in Goose Creek CISD in Baytown. He taught on both the junior high and high school

levels before leaving to pursue higher education opportunities. Maestro Frank entered Sam Houston State University in the fall of 2017 as a graduate assistant to his conducting professor Dr. Jake Sustaita. While there he also studied cello with Dr. Daniel Saenz. He graduated in May of 2019 with a Master of Music in Conducting.

In addition to his post with the Baytown Symphony Orchestra, He teaches Orchestra at Baytown Christian Academy and is also the Music Director for the Southeast Texas Choral Society, a community chorus in the area.

When not on the podium, Clarence enjoys outdoor sports and is a major Dallas Cowboys fan. He also enjoys serving in the worship ministry at Old River Baptist Church and playing in the orchestra at Houston's First Baptist Church. He also continues to freelance around the Houston area for various events.
